3:05 PM **Mirna**: good
me: one sec
Mirna: but we need to take out this
You have written and published lies which you claim to be fact that, to the extent that they are taken as fact by a reasonable person
no reasonable person nonsense
me: I need to make one more change
Mirna: dont open that up for him on his blog
me: okay, I'll change it
Mirna: no i will
me: okay but I have to make one more change
Mirna: i'm sending it baack hold on
3:06 PM **me**: okay
3:09 PM **Mirna**: You have published lies, claiming to be fact and not unambiguously labeled as opinion, that if taken seriously substantially damage the financial interests and professional reputation of my client.
3:10 PM sorry oops
me: perfect
ok
Mirna: meant to copy that into the email not to you

3:15 PM **Mirna**: and Brown's relationship with certain figures as well as his reputation is integral to the development of ProjectPM, Brown's distributed think-tank
that is sounds wrong
after reputation
is the grammatically correct?
3:17 PM **me**: I'll fix anything that isn't and send back to you
Mirna: k <3
